Celebrity Chefs' Brunch Lead Sponsors: AstraZeneca, Bank of America, and Diamond State Party Rentals

“We are so thankful to have the support of so many talented chefs, dedicated volunteers and generous sponsors,” said Mari Considine, Executive Director for Meals On Wheels Delaware. With the tremendous support we receive from our community we are able to make a daily impact on so many Delaware seniors’ lives—a hot meal and a friendly hello can go a long way to lift the spirits of our elderly neighbors.”

“Meals from the Masters” is the largest fundraiser held by Meals On Wheels Delaware each year—raising funds to help support Meals on Wheels programs throughout the entire state. Last year these funds helped to provide and deliver 710,000 hot, nutritious meals to 4,000 homebound seniors statewide.

ABOUT MEALS ON WHEELS DELAWARE AND MEALS FROM THE MASTERS:

The mission of Meals On Wheels Delaware is to ensure – through the provision of financial and human resources – that every eligible senior in the State of Delaware receives a hot, nutritious meal in their home.

A nonprofit 501(c)3 organization, Meals On Wheels Delaware is a public/ private partnership between the federal government, the State of Delaware, five meal-providing agencies and thousands of volunteers from corporations, civic, religious and community groups. Additional financial and volunteer resources are made available for agency providers, to ensure that no senior in Delaware is on a waiting list for a hot meal delivered to their home.

Last year, meals on wheels volunteers delivered over 710,000 hot, nutritious meals to 4,000 homebound seniors statewide, along with a gift of health, independence and companionship. In support of that work, the Evening with the Masters (held annually since 2002), Cellar Masters’ Wine Auction (held annually since 2004) and Celebrity Chefs’ Brunch (held annually since 1997) – together with Meals On Wheels Delaware fall fundraisers including Denim & Diamonds, the Celebrity Chefs’ Beach Brunch and Stock Up For Seniors – have raised in excess of \$5 million for meal delivery programs in Delaware.
