

SPECIAL DELIVERY

Welcome to the quarterly newsletter for Meals on Wheels Delaware.

NEW YEAR SAME MISSION 2018

Meals on Wheels Delaware has a new look for 2018. While some of these changes have already been released, such as our newly-designed logo in the lower righthand corner, we are excited to share this journey with you! These changes will help give our organization a clean and fresh look, however, our mission and values remain the same. The mission of Meals on Wheels Delaware has been, and always will be, to provide support to the five agencies throughout our state who deliver warm nutritious meals to homebound seniors each week.

We look forward to what this new year has in store for us, and would love to have you come out and show your support. Our first spring events are right around the corner, and we rely on your enthusiasm and participation at these events to keep our mission alive. From Guest Bartending Happy Hours to the Celebrity Chefs' Brunch, there are numerous ways for you to get involved, and give back!

Let us make this the year we come together to show our seniors that we care, and we are going to help.

HOW WE DELIVERED IN 2017

Everyday thousands of meals are delivered to homebound seniors in Delaware. Your support allows us to provide essential support to the Meals on Wheels programs around the state. Last year these programs served 4,360 seniors and delivered over 706,000 meals. As we continue these efforts in the new year, we want to thank you for helping us make 2017 a successful year. From all of us at Meals on Wheels Delaware, thank you for supporting the programs throughout our state as they work to fight senior hunger.

Look at the impact your support can have on your community!
