Inspired. Thanks to you.

By providing healthy meals and vital, caring support to Delaware's seniors, Meals on Wheels has improved the lives of so many in our communities. We are thankful for the positive impact they have had across our region.

ABOUT MEALS ON WHEELS DELAWARE

Meals On Wheels Delaware is a non-profit that raises funds and awareness in support of five meal delivery programs statewide. In 2019 these programs provided about 690,000 meals to over 4,400 homebound seniors.

Meal recipients are women and men, aged 60 and over, who often live alone. Most clients are struggling on a fixed income, and are unable to shop or safely prepare a hot meal for themselves. A large group of dedicated volunteers deliver the meals each weekday to waiting seniors.

The program has proven its value not only to seniors and their families, but also to the state. Funds raised at this event, and throughout the year, are used to ensure every senior in need throughout the state receives a meal without a waiting list. We are able to financially support equipment purchases to prepare and deliver hot meals, volunteer outreach and appreciation, as well as unfunded meals. We partner with Modern Maturity Center, CHEER, City Fare Meals On Wheels, Meals On Wheels Lewes Rehoboth and Newark Senior Center.

OUR ULTIMATE TAILGATE VOLUNTEERS OF THE YEAR

Each year the Meals On Wheels Delaware team nominates a member of the Ultimate Tailgate planning committee to be the volunteer of the year. This year, we would like to acknowledge the entire planning team for going above and beyond during the pandemic to create the new event format for the Ultimate Tailgate.

The committee met twice a month sharing ideas and options for a fundraiser that would allow us to keep the "tailgate" theme and partner with the restaurant community while raising funds for homebound seniors. The restaurant community has been very generous to Meals On Wheels Delaware over the years by donating food at our various fundraisers statewide and also donating gift cards to the auction. The pandemic impacted our friends in the restaurant industry the hardest. The planning committee and Meals On Wheels Delaware wanted to give back and take care of those who have supported us over the years. The proceeds from the ticket sales are being allocated to the restaurants to cover their costs. Our goal was to send our Ultimate Tailgate guests to the restaurants to give back in their time of need.

The committee maintained a positive and enthusiastic attitude during the transition from a live event to a virtual fundraiser. Thank you for sharing your creativity and innovative ideas.

PARTICIPATING RESTAURANTS

Meals On Wheels Delaware is fortunate to have strong and enduring partnerships with sponsors, restaurants and individual supporters in the community. They have made the Ultimate Tailgate a unique event, which brings the community together.

We thank each and everyone who has remained with us in 2020 as circumstances forced the change in format from a large celebration of this vibrant restaurant community, to a more individual experience.

We know that the country, state, businesses and individuals are all finding their way as best they can in difficult circumstances.

Thank you especially to our presenting Sponsor WSFS for making the event possible in 2020 and sharing our enthusiasm for this fundraiser.
