ABOUT MEALS ON WHEELS DELAWARE

Meals On Wheels Delaware is a non-profit that raises funds and awareness in support of five meal delivery programs statewide. In 2020 these programs provided over **877,000 meals** to over **6,200 homebound seniors**.

Meal recipients are women and men, aged 60 and over, who often live alone. Most clients are struggling on a fixed income, and are unable to shop or safely prepare a hot meal for themselves. A large group of dedicated volunteers deliver the meals each weekday to waiting seniors.

The program has proven its value not only to seniors and their families, but also to the state. Funds raised at this event, and throughout the year, are used to ensure every senior in need throughout the state receives a meal without a waiting list. We are able to financially support equipment purchases to prepare and deliver hot meals, volunteer outreach and appreciation, as well as unfunded meals. We partner with Modern Maturity Center, CHEER, City Fare Meals On Wheels, Meals On Wheels Lewes Rehoboth and Newark Senior Center.
