Throughout the Past 25 YEARS

Our Commitment To Helping Seniors in Need Has Remained the Same

As Meals On Wheels Delaware celebrates its 25th Anniversary, we want to recognize that because of your commitment to us, local seniors can and will continue to receive meals from Monday to Friday each week.

Your donations support so much more than a meal. Over time, donations have helped fund crucial items such as kitchen and delivery equipment to keep the meal programs safe while running efficiently.

Seniors need the nourishment and daily check-ins delivered by volunteers each day so they can stay

at home, where they want to be. We know that a nutritious meal not only feeds the body, but feeds the soul of the seniors. Meals On Wheels Delaware believes in ensuring every senior in need of a home meal delivery can receive nutritional support when they need it.

Help us to continue to meet the needs of 102,000+ seniors over 25 years, who have received a meal without being placed on a waiting list.
