THANK YOU TO WELLS FARGO FOR SUPPORTING SENIOR WELL-BEING IN THE STATE OF DELAWARE.

Meals On Wheels Delaware is grateful to have had a partnership with Wells Fargo for several years.

From 2018 through 2022 Wells Fargo contributed \$100,000 in total support of services to homebound seniors in our community. Their contributions through the challenging years of covid made a significant impact on the ability to meet increased demands for in-home nutrition.

Meals On Wheels programs in Delaware served more meals and individual seniors than ever before during Covid. In 2021, 898,509 freshly prepared, nutritious meals were delivered to over 6,600 seniors statewide. That is up 40% from pre-covid numbers.

In July, Wells Fargo made an amazingly generous gift of \$50,000. Contributions from Wells Fargo make it possible to prepare, package and deliver meals in all of our communities statewide to meet the peak demand. Over this time funds supported meals not funded by other means. Once meals were covered funding supported meal programs in all three counties with two large commercial ovens, three hot meal cabinets, a food slicer, and walk in freezer. Delivery vehicles were essential; thank you for helping to purchase a delivery vehicle for New Castle County. Volunteers are always the backbone of the organization but never more so that the last several years. We were able to show appreciation to meal delivery volunteers with receptions to thank them for always being there.

Thank you for making a difference.

PRESERVING TRADTIONS, SHARING WISDOM

We celebrate National Grandparent's Day on the first Sunday after Labor Day. This year, the date falls on September 10th. Like Mother's Day and Father's Day we also have a whole day dedicated to our grandparents. Grandparents and children have a special connection that is proven to both make grandparents live longer, and also make children more emotionally resilient. Grandparents Day is an opportunity to treasure that connection and spend some quality family time together.
