**MEALS ON WHEELS DELAWARE** provides diverse opportunities for individuals, groups, and organizations to make a financial or volunteer contribution that has a meaningful impact on the lives of homebound senior Delawareans.

We are focused on ensuring that everyone in Delaware who requests help with a home delivered meal is able to receive the nutritional support they need, when they need it.

**We raise funds and awareness to support the local Meals On Wheels programs. These programs are delivering a difference of over 853,000 meals to over 6,600 homebound neighbors.**

Meals on Wheels recipients are women and men, aged 60 and over, who often live alone. Many are struggling to balance their needs on a fixed income, and are unable to shop or safely prepare a hot meal for themselves. Some require help when recovering from a hospital stay, but for most, the meals are a long term lifeline.

Overwhelmingly, seniors who receive meals at home say a daily meal helps them eat healthier, feel more safe and secure, and remain comfortable to live at home.

The nutritious meal, friendly volunteer visit, and safety check help our seniors cope with three of the biggest threats of aging: hunger, isolation, and loss of independence.

A WELCOME FROM OUR

## GOOD EVENING, AND WELCOME TO MEALS ON WHEELS DELAWARE'S 19<sup>TH</sup> CELLAR MASTERS' WINE AUCTION AND DINNER!

It is a great honor to be the Board Chair of Meals on Wheels Delaware. As Chair, I would like to express my gratitude to you for joining us this evening and for your kind attention to the Meals on Wheels' purpose.

As we indulge in an upscale four-course gourmet dinner crafted by award-winning chefs from around the country, beautifully paired with delicious wines, enjoy music and a fantastic live auction, please take a moment to reflect on why we are all here today.

The senior population is growing and changing rapidly. They are living longer and with less money. Nearly 10,000 baby boomers are turning 65 in the US today, and every day, for the next 15 years.

Meals on Wheels aims to end senior hunger and isolation among eligible seniors 60 and over.

Here are some statistics for our great state from the Delaware Population Consortium:

- 29% of the population of Delaware are seniors over the age of 60.
- The number of Delaware residents 85 and over will increase by 51%, in the next 15 years. Seniors 75 plus make up the largest percentage of those who need help with a home-delivered meal.
- Among seniors 65 and over 26% are living alone and 24% of our seniors in Delaware are veterans, according to the latest census information.

Your attendance this evening allows us to supply the five partner meal delivery programs with essentials to provide warm, freshly prepared meals to seniors in their homes. In 2023, 853,000 meals on wheels were delivered to 4,900 elderly men and women.

We could only have accomplished this with the dedicated staff and thousands of volunteers throughout the state. As the Board Chair, I greatly value your efforts and perseverance. I, and the Board members, would like to thank you all personally. Without your dedication and endless support, we could not have accomplished what we have. I am so very proud that we can rely on your support as active and engaged citizens, committed to making our seniors, our communities, and our state, a better place.

On behalf of the Board of Directors, the staff, and myself, thank you for joining us today and for your unbelievable support. Meals on Wheels delivers much more than just a meal in Delaware. Together, we remain dedicated to addressing senior hunger and isolation.

A LETTER FROM OUR  
2024 COMMITTEE CHAIR

## GOOD EVENING AND WELCOME TO THE 19<sup>TH</sup> EXCLUSIVE CELLAR MASTERS' WINE AUCTION & DINNER!

Meals On Wheels Delaware could not be more thankful for your participation in this special event, especially since many of you support it year after year. As you would expect, given the generosity of all those who make this event happen annually, last year's was a resounding success, raising nearly \$300,000. And with this year's once again sold out, it is sure to be, too. Thank you for continuing to answer the bell for a worthy cause!

We are excited to have all of you here tonight, and to have an amazing menu prepared by our wonderful chefs who, with the support of the Johnson & Wales University culinary team, and the Chase Center's staff, will provide us an exceptional dining experience. As you flip through the program booklet, please take special note of our chefs and our auctioneer, Malcolm Barber, Co-Chairman of Bonhams Group, who will once again facilitate our live auction. Like so many others, these dedicated, generous and talented people have made great sacrifices to make this event happen. And while there are any number of organizations to be thanked for the annual success of the Wine Auction & Dinner, a special thank you to Johnson & Wales University is particularly appropriate this year, as all of our featured chefs are distinguished JWU graduates.

As our evening begins, please remember why we are all gathered here: to end senior hunger. As you know, Meals on Wheels Delaware is a fundraising organization that provides funds to the 5 organizations across Delaware that prepare and ensure delivery of thousands of meals daily. In 2023, 825,000 meals were delivered to 6,200 seniors statewide who are doing everything they can to maintain their independence. Delaware is currently one of the few states that does not have a waiting list for meal delivery to a qualified homebound senior. Your participation tonight helps ensure these seniors their independence, as the Wine Auction & Dinner raises more money annually than all other Meals on Wheels Delaware events combined.

So, generously raise your paddles often and high, because what we do here tonight enables many others to help the thousands of people every day who depend on Meals on Wheels Delaware for not only a meal, but also the smiling face that delivers it to them.

On behalf of Meals On Wheels Delaware and the rest of the Committee, thank you!

## ≈ 2024 HONOREE: JOEL PLOTKIN ≈

**E**ach year, the Cellar Masters' Wine Auction & Dinner Committee dedicates the event to someone that has been indispensable in the community and to this event. Sometimes it's someone who contributes items to the auction, or brings valuable relationships that lead to incredible donations, or who selflessly helps others. This year we are honoring one of my closest and oldest friends (not his age...just how long we have been friends!), who has done all the above.

I met Joel over 30 years ago when I was the executive chef for MBNA. Joel worked for the advertising department as an in-house photographer, a position he still holds for Bank of America. Joel and his equally amazing wife Tina have lived in this community for more than 30 years and he has been a part of Meals On Wheels Delaware for more than 20, providing his incredible photography skills and soliciting donations from friends he has made over his years here. In addition, Joel has donated his time to do all the photography for the auction catalogue for this event for as long as we have been doing it. His outreach for donations in the community is unparalleled, annually accounting for thousands of dollars. All this while keeping one of the most hectic travel schedules of anyone I know.

Joel, the committee, staff, as well as Tina, Josh, Will and Bella want you to know how much you are loved and appreciated. Thank you for all you do.

# 2023 PROGRAM SUPPORT

---

In 2023, the number of seniors asking for help rose again. Costs for food and medication continued to increase, while expanded assistance available during covid came to an end.

Requests for a home delivered meal are rising steadily as seniors are living longer and aging in place.

**Thanks to your contributions today, and throughout the year, we were proud to be able to provide essentials to keep the nutritious, freshly prepared meals arriving at our neighbors' doors.**

Approximately 1,500 home-delivered senior meals are prepared, packaged and delivered in each county each weekday.

After all meals were covered, other needs were met which ensured that everyone was able to keep pace with the increased demand for meals.

Commercial grade kitchen equipment was added, upgraded, repaired or replaced in five kitchens across the State.

Vehicles are needed to transport prepared meals from the central kitchens to convenient pickup points for local volunteers. Lookout for one of the four new Meals On Wheels branded vehicles on the road in your community.

Durable wheeled coolers and insulated soft carriers, which keep meals at safe temperatures, are used every day during deliveries in volunteer vehicles. As you can imagine they wear out over time. These supplies were replaced Statewide.

Without the hundreds of volunteers who take time from their day to deliver the mid-day meal, the personal connection would be lost. We appreciate the volunteers and we were able to say thank you by supporting driver training, small value gift cards, and volunteer appreciation get-togethers.

# DINNER WINES

## FIRST COURSE

### 2022 YEALANDS SAUVIGNON BLANC

*Provided by* **Palm Bay International**

A style less “typical New Zealand,” transcending the category as a new “benchmark” style. Carefully selected parcels of Sauvignon Blanc from our Awatere and Wairau Valley vineyards were used to craft this wine. At the winery, individual parcels of fruit were gently pressed and clarified. The clear juice was then fermented separately using a range of selected yeasts. A long, cool fermentation in stainless steel tanks retained the vibrant, fresh characters Sauvignon Blanc is known for. After fermentation, the wine was blended, stabilized, and filtered in preparation for bottling.

## SECOND COURSE

### 2022 WHOLE CLUSTER PINOT NOIR

*Provided by* **Willamette Valley Vineyards**

This Pinot Noir shows rich colors of dark garnet and currant. Plentiful aromas of cherry cola, black tea and wild blueberry give ample depth and character to the wine. A pleasant array of fruit flavors and barrel notes includes marionberry, candied cherry and hints of cedar and sweet tobacco. The wine tickles the palate with lingering tannins and a generous round mouthfeel.

## THIRD COURSE

### 2021 BLUE EYED BOY - SHIRAZ

*Provided by* **Mollydooker Wines**

Black crimson in color, this wine leaps from the glass with powerful aromatics of blueberries, fresh plum, licorice and nuances of chocolate biscuit. The seamless texture is laced with fresh berry fruit, coffee, vanilla cream and warm spice, giving us a full-bodied Shiraz with an endless depth of flavor and great length.

## FOURTH COURSE

### 2018, BOPLAAS CAPE VINTAGE RESERVE

*Provided by* **LabWare**

An inky black wine with hints of fiery garnet on the rim; with a bouquet of crushed black berry, tart cranberry, kirsch and purple plums with bright all-spice top notes intermingled by fynbos and savory undercurrents. The bouquet unfurls onto a bold palate with liquorice, red fruits and cocoa hints to the dry finish. Time will temper the fiery fruity exuberance of youth, slowly unfurling the complexities of this fine Cape Fortified.

Buxomly spiced, full fruited and tannic in its youth, this wine is artfully crafted for decades of development in bottle – if you wish to enjoy it in its youth, best decant and company with earthy rustic dishes, braised meat dishes, venison, fine hard cheeses, charcuterie, tapas and a selection of nuts, dried fruits or succulently sweet green figs.

Stacy's love for food started at a young age, cooking alongside her grandmother. Throughout the years of working in the food industry her passion continued to grow while working in many fine dining restaurants throughout the U.S. and Europe. While working at the three-starred Michelin restaurant, The Waterside Inn in England, she was given the opportunity to further refine and expand her culinary skills and

knowledge. It was here where she soon learned to respect and appreciate the value of food and what it brings to the table. With this new attitude toward food, Stacy shifted her focus and quickly changed the way she approached cooking to include using it as a resource to promote health and wellness as well as reverence cooking for the environment.

Since 2011, Stacy has been an instructor at Johnson & Wales University teaching culinary and pastry classes. In 2017, she enrolled in the Gastronomy graduate program at Boston University and tailored her degree to focus on food policy and nutrition. Soon after graduating, she transitioned into an Associate Professor position at the College of Food Innovation and Technology where she currently shares her knowledge and expertise in culinary nutrition with future nutritionists and dietitians.

In addition to teaching, Stacy continuously takes on research projects to develop 'better for you' concepts and products for various healthcare outlets and corporate companies. She is also a frequent presenter at the annual Tastes of the World Chef's Culinary Conference at UMASS Amherst conducting hands on cooking for health and wellness workshops as well as a chef for the annual Flavor Experience conference, hosted by Flavor and the Menu magazine.

# LIVE AUCTION LOTS

All information in the wine descriptions is taken directly from *Robert Parker, Wine Spectator, and Wine Searcher*. Those sources deserve full credit for the vivid words that bring wine to life.

## LOT 1 PRONOUNCED “OCK-UN-TOSH-UN” SUPERB SCOTCH WHISKY

Auchentoshan, Vintage 1966 Lowlands Scotch Whisky

(1 Bottle)

Value \$1,000-\$1,675

Donated by Stephen Herrmann

Based in the Lowland region of Clydebank, just west of Glasgow, **Auchentoshan** was founded in 1817 as the Duntocher distillery. It survived a German bombing in 1941 and is now owned by Japanese conglomerate Suntory.

Their process starts with unpeated malted optic barley which provides a clean, complex character. It is the only whisky in Scotland that is triple distilled, resulting in 81% ABV! The distilled Scotch is then stored in oak barrels for aging.

This vintage was bottled in the 1980s, and the characteristic notes of fruits and citrus should shine through the oak. This is not your father’s peated Single Malt. Drink with caution and enjoy!

## LOT 2 NOW THAT’S A DINNER PARTY BOTTLE

2006 Chateau Pontet-Canet, 5th Growth, Pauillac

(1 6L Bottle)

Value \$1,250-\$1,350

Donated by Kathy and Dan Dugan

Alfred Tesseron, owner of Pontet Canet, is referred to in France as “Monsieur Bonsai” the perfectionist. Biodynamically farming his hectares just south of Mouton, his wines deliver far above their 5th growth classification!

The **2006** Pontet-Canet has a 63/33% Cabernet Sauvignon/Merlot ratio with small additions of Petit Verdot and Cab Franc. This powerful, age-worthy wine is bold and up-front in the nose with black fruit, flowers, hints of earthy smoke and tobacco. Medium to full bodied, silky tannins, and medium acidity on the palate balanced with a solid core of dark fruit layered with cedar, pepper, and orange zest. Mineral notes come out on the long, long finish. Parker thinks this is a 1st growth level effort. **Drink now-2035. 95 pts RP, 95 pt D, 93 pts WS.**

**Save for a special occasion. This 6-liter bottle will be the hit of your next wine dinner.**

### LOT 3 CAN'T GET A SUPER TUSCAN BETTER THAN THIS

2016 Marchesi Antinori, Solaia, Cabernet-Sangiovese Blend, Tuscany (4 Bottles)

Value \$1,300-\$2,075

Donated by Harry's Savoy Grill

The Antinori family has been producing wine for over 600 years, making them one of the oldest winemaking dynasties in the world. In 1978, with the very best grapes from their very best vineyard, Solaia was born, becoming Piero Antinori's pioneering Cabernet-based Super Tuscan wine. **Solaia** has become one of the most celebrated and sought-after wines from Italy, known for its complexity, aging potential, and consistent high quality.

The **2016** vintage followed Parker and James Suckling's perfect 2015 with perfection, as well, awarded 100 pts by both. This elegant wine distinguishes itself with complex aromatic notes of ripe dark fruit leading the way, with developing hints of mineral, floral, herb, and spice as well. The palate of this red wine is full-bodied, powerful, and intense, with incredible tannic backbone and depth. The flavors expand in the mouth – dark fruit, earthy mushroom, and tobacco converging on the long, persistent finish. The best is yet to come, so cellar as long as you can. Drink 2025-2050. **100 pts RP, 100 pts JS, 99 pts V, 98 pts WS.**

**This Solaia may be the best wine of the auction. Bid and keep bidding!!**

**... makes a difference.**

## LOT 10 BEST OF ST. JULIEN - TWO 100 POINT VINTAGES

2009 Chateau Ducru-Beaucaillou, 2nd Growth, St. Julien (2 Bottles)

2018 Chateau Ducru-Beaucaillou, 2nd Growth, St. Julien (1 3L Bottle)

(3 Bottles Total)

Value \$1,800 - \$2,900

Donated by Dr. Jonathan & Cara Burke  
Harry's Savoy Grill

Only six families have owned Ducru-Beaucaillou, a prestigious winery located in the Saint-Julien appellation within the Bordeaux, since its start 300 years ago. Its name translates to "beautiful stones" in English, which reflects the unique terroir of the vineyard. The vineyard is situated on gravelly soils along the Gironde estuary. This gravelly soil, composed of beautiful pebbles, provides excellent drainage and heat retention, which are ideal conditions for growing high-quality grapes.

In reviewing all the ratings of the **2009 Ducru-Beaucaillou**, the common theme was "Powerful," "Rich, Powerful, & Intense," "Big & Powerful," "an absolute powerhouse," well, you get the idea. Perhaps Jeb Dunnuck said it best, "the 2009 Château Ducru-Beaucaillou offers an incredible bouquet... it's full-bodied and elegant on the palate, with silky tannins, incredible depth of fruit, and a gorgeous finish. This is pure elegance and finesse paired with richness and texture." Drink now-2050. **100 pts JD, 98 pts RP, 98 pts D, 96 pts WE, 96 pts WS.**

The **2018** is said to be one of the greatest wines **Ducru-Beaucaillou** has produced. A fantastic bouquet of spices, iris, violet, dark fruit charge from the glass, followed by subtle aromas of graphite, black licorice, and menthol. Full-bodied with ultra-fine and silky tannins, the palate shows black fruit layers increasing over time with herbal, savory olive, and exotic spice flavors into the very long finish. This wine will only get more complex with time. Hold on to this one and Drink 2027-2055. **100 pts JD, 100 pts WE, 100 pts D, 99 pts WS, 99 pts JS, 98 pts RP.**

2018 Futo Estate, OV-SL Estate, Bordeaux Red Blend, Napa

2016 Helianthus Wines, he-li-an-thus, Bordeaux Red Blend, Napa

Set of 4 Riedel Veritas Cabernet/Merlot Wine Glasses

(3 Bottles and 4 Glasses)

Value \$1,000-\$1,400

Donated by Dr. Jonathan & Cara Burke  
Helen and Bill Stimson

If you are not aware of **Futo**, thank the Burke's, and put it on your radar! According to Robert Parker, "The quality of these wines are truly world-class." Founded by Tom & Kyle Futo in 2004, and almost exclusively sold by mailing list, this is the old Oakville Estate, near Harlan and Bond (pretty good neighbors to have). The OV/SL is a blend of Oakville and Stag's Leap estate fruit. **He-li-an-thus** is a special project wine crafted by Tom Futo's daughter, Jessica, and Jason Exposto, Futo's winemaker. The highly acclaimed wine is a single vineyard Bordeaux style red blend with its grapes coming from the Red Head vineyard located at the base of Atlas Mountain.

The **2012 OVSL** is a 75% Cabernet Sauvignon, 9% Merlot, 8% Cabernet Franc and 8% Petit Verdot. This shows floral, dark fruits at first on the nose, followed by smoky and savory aromatics with time in the glass. With full-body and polished tannins, the palate delivers black fruit, leather, mocha, and loamy soil, ending with tobacco hints on the lengthy finish. Drink now – 2035. **94 pts RP, 94 pts WS, 93 pts V.**

The **2018 OVSL** boasts extraordinary purity and finesse. "Gorgeous" is mentioned in almost every review. The nose is classic Cabernet, with dark fruit, graphite, stone-like minerality, and leather aromatics. Full-bodied with balanced tannins & acidity, evenly layered flavors of blueberry, lavender, anise, and spices shine in the long finish. Drink now-2036. **98 pts JS, 97 pts JD, 94 pts V.**

Made at Futo, the **2016 He-Li-An-Thus** bouquet reveals vibrant aromatics of black fruit with hints of potpourri, lavender, and cinnamon. On the palate, medium to full-bodied, firm but silky tannins with balanced acidity. And the flavors! Dark fruit, menthol, leather, chocolate, followed by a lengthy, fresh finish. Drink now-2050. **96 pts JS, 95 pts RP, 94 pts V.**

And enjoy your wine in 4 Riedel Veritas glasses made to enhance your Cabernet Sauvignon bouquet.

**Skip the mailing list wait and take these wines home tonight. You won't regret it!**

Full bodied and alcoholic at 16.1%, the **2019** is rich and powerful without losing its grace and elegance. Inviting aromas of ripe dark berries, cassis, chocolate, and walnuts. Full-bodied, succulent and mouth-filling with very fine tannins. Creamy and velvety with a lingering finish. Drink now-2037.

The **2020** starts with aromas of black fruit, with hints of toasted oak and vanilla followed by dried violet and subtle mint notes after a few swirls. **Chateau Figeac**, a prestigious wine estate with a rich history, has been producing wine since the 16th century, making it one of the oldest wine-producing estates in Bordeaux. Unique to the right bank, Figeac produces wine with almost equal parts Cabernet Sauvignon, Merlot, and Cabernet Franc. The **2016 Figeac** is a legendary wine in the making (38% Cabernet, 36% Merlot, 26% Cabernet Franc), that offers complex aromas and flavors starting with sweet dark fruit and licorice, with herbal, spice, chocolate, and tobacco, building over time. The palate structure is medium to full-bodied, with silky tannins and great balance with a finish lasting a minute or more. As with other classic wines, it will only get better over time. Drink 2025-2065. **99 pts D, 99 pts JS, 98 pts JD, 97 pts RP.**

You might thank **Chateau Pavie-Macquin** for the success of the St. Emilion wine region. Started in 1887 by pharmacist Albert Macquin, who is renowned for his contribution to viticulture through his work in combating phylloxera. The **2020** vintage is young, but sensational. The nose is very expressive with strong raspberry and black cherry aromas layered with vanilla, floral, and spice notes. On the palate, medium to full bodied and firm, but smooth tannins and rich acidity are balanced with juicy red fruits with hints of mineral, floral, and spice elements coming out on the long finish. Most reviews agree, this wine needs some patience to reach its full potential. Drink 2028-2050. **100 pts V, 98 pts JS, 97 pts D, 96 pts JD, 95 pts RP, 95 pts WS.**

2021 Sojourn Cellars, Beckstoffer Georges III, Cabernet, Rutherford

(2 Bottles)

(5 Bottles Total)

Value \$1,400-\$1,640

Donated by Mike & Cindy Barko, Heather & Vaughn Hardin  
and Susan Teiser & Patrick Giacomini

What do Rutherford, Oakville, and Stags Leap have in common? They produce some of the world's greatest Cabernet Sauvignon and Cabernet blends in the world. Here's your chance to bring home 3 of the best for your cellar.

The 1997 Napa harvest unfurled slowly in September, with no heat spikes to push sugar accumulation. The result is a **1997 Insignia** with a stunning nose of violets, charcoal, and toast. Dense, rich, and focused notes of currant, mineral and spicy berry flavors ride on a full body with velvety tannins, no hard edges here! A classic Bordeaux blend of 83% Cabernet, 14% Merlot and 3% Petite Verdot. Drink now-2033. **100 pts. RP, 97 pts. WS.**

The **Phelps 2001 Backus Vineyard** Cabernet was that year's star of Oakville Cabernets. This wine, Insignia's big brother, pours opaque purple. The nose is huge with raspberry, crème de cassis, and mineral aromas. The palate flavors mirror the nose plus more – chocolate, dark fruit, and dusty earth riding a full body with loads of tannin and oak. The tannins should be smoothed out by now to be perfectly balanced. Drink now-2035. **97 pts RP, 97 pts WE.**

Sojourn Cellars is from one of California's most famous Cabernet Sauvignon vineyards **2021 Beckstoffer's Georges III**, originally planted by winemaking pioneer Georges de Latour and cultivated by Napa legend Andre Tchelistcheff. This powerful Cabernet offers big aromas and flavors including black fruit, spice, leather, and dusty earth. It is full bodied with medium tannins, balanced with bright acidity. Drink 2024-2044. If you can't wait, decant for 2 hours minimum.

## LOT 19 MONTELENA ESTATE CABERNET VERTICAL

2014-2019 Chateau Montelena, Estate Cabernet, Calistoga

(6 Bottles)

Value \$900-\$1,360

Donated by Craig Schwartz & Elizabeth Barry

Over four decades, **Chateau Montelena** has stayed near the top of ranking scales, and remains a legend with its long-lived Cabernets. Named after Mount St. Helena, and still using the medieval style stone winery and caves, their eight blocks of Cabernet, totaling 95 acres, produce the vertical here.

A cooler growing season, 22 months in French oak, and ideal harvest conditions bring a very Bordeaux-ish **2014**. Rich, ripe raspberry, and blackberry notes are lush and mouthcoating after decanting. Drink now-2035. **95 pts JD.**

**2015** brought a smaller crop of high quality and flavor maturity vibrant cassis, plenty of black fruit jam notes with hints of cedar, ginger and cocoa ride on a firm frame and a long youthful finish Drink now-2050. **97 pts JD, 95 pts RP.**

No Petit Verdot was used in the **2016**, leading to a lighter color. But the opulent nose shows the red berry characteristics of this vintage while coffee bean, star anise, fresh blueberry, and cinnamon ride the finish. Drink now-2035. **92 pts JD.**

An opulent and vibrant vintage, **2017** shows layer after layer of raspberry jam, strawberry, cocoa, and clove. The finish is long, with mouthcoating tannins, balanced acidity, and delicate notes of vanilla and mint that are extraordinarily complex. Drink 2024-2040. **93 pts V.**

Elegant structure for extended aging defines the **2018**. Fresh and lively, but still tightly wound notes of abundant dark fruit, cocoa, espresso bean and earth ride a medium body to a finish that is persistent in length and depth. Drink 2025-2040. **96 pts RP, 94 pts RP.**

The **2019** is quite extroverted compared to previous vintages. Red fruits appear on the nose, joined by hints of dark chocolate. Medium to full-bodied with silky tannins that wrap around a core of dark fruit, chocolate, lavender, spice and leather flavors. Give this vintage some time to soften. Drink 2025-2045. **99 pts D, 96 pts RP, 96 pts V.**

### **ABOUT CHÂTEAU DE POMMARD**

Founded in 1726 by Vivant Micault, secretary to King Louis XV, Château de Pommard remains one of the most iconic and visited wine estates in Burgundy. Clos Marey-Monge, at the heart of the domain, has been producing one of the greatest expressions of Pinot Noir for more than two millennia. The 20-hectare clay and limestone rich terroir make it the largest and most interesting monopole vineyards in the Côte d'Or. In July 2015, UNESCO declared the Clos a world heritage protected climat of Burgundy. The Carabello-Baum family of San Francisco purchased the domain in 2014 and became just the fifth family to guide the estate in almost 300 years. The family has transformed the estate into the ultimate wine education destination where anyone can experience the phenomenon that is Burgundy.

Set of 4 Riedel Veritas Old World Pinot Noir Wine Glasses

(3 Bottles and 4 Glasses)

Value \$4,200 - \$5,200

Donated by Nicole Muscari Chateau de Pommard  
and Helen & Bill Stimson

**Become the most popular person here tonight.** Take a Chateau de Pommard Expert home for a private wine tasting of 5 Chateau de Pommard Clos Marey-Monge wines for you and 14 friends. Nicole Muscari, certified WSET Level 3 and French Wine Scholar, is the US Northeast Wine Adviser for Chateau de Pommard.

Founded in 1726, Chateau de Pommard has had only five owners. In 2014, Silicon Valley software tycoon Michael Baum became its fifth owner – and first American to own a wine-producing Chateau in Burgundy. And what a Chateau! Pommard's 20-hectare (49 acres) monopole Clos Marey-Monge vineyard is the largest vineyard in the Cote D'Or owned by a single family.

This offering adds Pommard's crème de la crème, its rarest cuvee, its soul of the Domaine – **Simone**. Coming from .53 hectares of its clos, Simone's vines are rooted in clay that holds the world record internal surface density for this soil type (second place is Chateau Petrus).

The **2017 Simone**, a Gold Medal winner at the 2020 International Wine Challenge (IWC), is powerful, yet delicate. The intense nose reveals raspberry, plum, spice, and floral notes. The dense palate balances firm, yet velvet tannins with flavors mirroring the nose: concentrated red and black fruit, gingerbread, and fresh rose leading to a long and expressive finish. Drink now-2040. **96 pts. IWC.**

The **2018** was made using whole-cluster fermentation for the first time. The result is more perfumed with aromas of flowers, cherry fruit, with hints of spice and fresh forest. The dense structure, silky smooth on the palate, followed by intense black fruit flavor with a hint of spice and minerality. Exceptional length and full of life now but will last. Drink now-2045. **95 pts. D.**

The **2019** is an excellent example of the vintage. The complex aroma is dominated by black fruit and spice, with rich soil, oak, and vanilla. The palate is dense with firm, chewy tannins, and concentrated fruit flavors and minerality. Still young, drink the 2017 and 2018, and cellar the 2019 for a few years. Drink 2025-2045. **94 pts. D.**

Value \$950-\$1450

Donated by Dr. Jonathan & Cara Burke,  
Harry's Savoy Grill

Only 2 families have owned Chateau Beaucastel – Pierre de Beaucastel & Family since 1549 and Pierre Perrin & Family since 1909. It remains one of the great estates of the Rhone Valley. Their CDP has been on Wine Spectator's Top 100 List 9 times since 2000, with 2 of the vintages offered below.

The *#8 Wine Spectator* Top 100 wine of 2013, the **2010** is a tour de force. Meaty, spicy, earthy, peppery red fruits with herbs are all over the place here in the nose and on the palate. The feel on the palate is full-bodied, with tannins that are present, but the overwhelming impression is of elegance. It shows a very long, dry finish with plenty of stony minerality. Drink now-2045. **96 pts WS, 96 pts JS, 96 pts WE, 95 pts RP.**

Another stunner from the Perin family, the **2012** offers a full-bodied, decadent style to go with awesome black and blue fruits, spice, licorice, crushed flowers, and violets. Structure, fruit, and savory elements are harmoniously balanced. A long, tangy finish is wonderful now, and even better in ten years. Drink now-2030. **96 pts RP, 95 pts WS.**

Robert Parker calls the **2013** a beauty with a rare level of concentration and depth. Not massive, but the aromas and flavors are classic Beaucastel, plenty of red & black fruit with savory, earth, and spice elements. Medium to full bodied with delicate tannins balanced with medium acidity. Plenty of length in the finish. Drink now-2030. **93 pts RP, 93 pts WE, 92 pts WS.**

Saving the best for last, the **2016** was the *#6 Wine Spectator* Top 100 wine of 2019, reviewers noting "this is a young wine of rare quality", "Stunning, Classic". James Suckling says it best. "Has a superb array of fruit, ranging from red, through to blue, darker purple and black. Nuances of dark, stony minerals, spices, wildflowers, and herbs. This has impeccable balance, super-silky tannins, and an extraordinarily long finish. This has decades ahead of it." Drink now-2040. **99 pts JS, 97 pts RP, 97 pts WS, 96 pts D.**

Founded in 1798, Dow's uses grapes from 4 vineyards in the upper Douro Valley to make their Vintage Ports. The vintage Ports are only produced in extraordinary years, typically only 2-3 vintages per decade.

The **1977 Dow's**, from a Broadbent 5-star vintage, is a beautifully scented lady, with very rich, concentrated notes of licorice, berry, custard, and milk chocolate. Long and delicious, firm, and attractive, this will drink well till 2040 and beyond. Note: This special bottling is to commemorate the Queen of the United Kingdom's Silver Jubilee. **97 pts JS, 94 pts WS, 93 pts. RP.**

The **1980** is a very attractive mellow Port, with complex aromas and flavors of nuts, chocolate, and silky black fruit, with hints of red fruit and savory earthy edge on the palate. Finishes spicy and long. Drink now-2030. **92 pts WE, 91 pts WS.**

Powerful from the high amounts Touriga Franca and Touriga Nacional varietals, the **1983** opens with fine cinnamon and rose-tea aromas. Lush and supple, with abundant chocolate, silky black fruit, and dried-spice flavors leading to a long, warming finish. Should be in its prime. Drink now. **92 pts WE, 91 pts WS.**

Less massive than Dow's normal, the **1997** is medium to full bodied with warm and inviting notes of cocoa, fig, licorice, and mulled spices. Probably more complex now and in the future. Drink now-2035. **95 pts WS, 94 pts WE, 92 pts V, 90 pts RP.**

Back to normal, the **2000** shows a mix of floral, licorice, dark fruit, and chocolate. The palate and structure are full-bodied, firm, but with fine tannins and high acidity melding with red fruit, fig, licorice, spice, and earthy hint of leather. Pair this one with dark chocolate. Drink now-2040. **99 pts JS, 95 pts D, 94 pts RP, 94 pts WS.**

The **2003** is a powerhouse of complex aromatics, full-bodied, firm tannin & acidity, well-balanced with layers of spicy, black fruit, coffee, sweet molasses, and hints of chocolate on the finish. Drink now-2043. **100 pts JS, 96 pts RP, 95 pts WS, 93 pts WE, 91 pts D.**

The **2001 Quinta da Senhora da Ribeira**, one of Dow's single vineyard Ports, reveals powerful wild red-fruit flavors, leading into rich black chocolate notes, the whole balanced by complex, attractive and peppery tannins. In its prime, Drink now. **92 pts WE.**

Dow's Quinta da Senhora da Ribeira is considered one of the top vineyards in the Douro Valley. The **2004** shows why. The palate is full of ripe berry fruit with nuances of mocha, chocolate, and hints of spice. Drink now. **95 pts D.**

The Beringer Private Reserve style was developed by Ed Sbragia and Myron Nightingale. Its flagship emphasizes big, rich, bold, and high extract flavors laced with toasty oak in a dramatic style that ages well.
