## THANK YOU TO CAESARS FOUNDATION

We recently received an unbelievable, unexpected, unrestricted contribution of \$25,000, powered by Caesars Foundation and its generous casino guests, who have donated their spare change to support Meals on Wheels America and local Meals on Wheels providers like Meals on Wheels Delaware. This generous gift gives us the flexibility to fuel our mission exactly where it's needed most. A huge thank you to Caesars Entertainment and Meals on Wheels America for believing in our work and giving us the freedom to grow and innovate to meet the needs of Delaware's older adults!

## MEET BOARD MEMBER BEN MUSE

Ben will be married for 15 years very soon, and has two children Owen and Pearl! He has been on our Board since 2018!

Ben opened Two Stones Pub with three friends and former co-workers! They have always strived to give the best to anyone who comes into their restaurants! Over the years, he has expanded the footprint and the communities that he serves, with 6 Two Stones Pubs, a 2SP Brewing Company and a 2SP House and Grill!

Feeding people and connecting to the community is what the hospitality business is all about - and that's largely what drew Ben to working with Meals On Wheels Delaware in the first place. Feeding people is obviously very important but it's also about making that connection to the community and knowing that what he does helps support and enrich the lives of people right in our own backyard. "Being on the Board has been amazing, but the greatest (and most humbling) thing to see is the volunteers and the organizers who make everything run day-to-day. It really is awe-inspiring and I'm very proud that I get to be a small part of it."
