HUNGER AWARENESS MONTH

Meals on Wheels Delaware is very aware of the importance of the month of September reminding everyone that September is Hunger Awareness Month! This month is a nationwide campaign dedicated to raising awareness about hunger and food insecurity in America and in Delaware encouraging people to take action to help their seniors in need.

Why It Matters

- Nearly 48 million people in the United States in need of food daily.
- Food insecurity means not always knowing where the next meal will come from or having enough nutritious food for a healthy life.
- Rising food costs and economic challenges continue to increase the need for food assistance in communities across the country including Delaware.

How You Can You Help!

The most important and helpful idea for you and maybe your friends is to volunteer to deliver food to our seniors. It does not take long, and some of our seniors now consider the volunteers they see each day a part of their family! Some routes take less than 45 minutes and even volunteering 1 day a month is helpful! If you know of any high school children many of them need to volunteer and these hours help them accomplish their goals for the school year!

- Donate and Support – Meals on Wheels Delaware
- Volunteer – Deliver a route once a week? One a month?
- Advocate – Talk to your neighbors, and friends – have the group deliver!

Remember with your help, we are committed to End Senior Hunger!
